Dear Ms. Camsell-Blondin

Re: Section 2 of the Ekati Interim Closure and Reclamation Plan

The North Slave Métis Alliance (NSMA) supports the comments made by the Independent Environmental Monitoring Agency (IEMA) regarding section two of BHPB's Interim Closure and Reclamation Plan, and echoes the comments of other Aboriginal Peoples who do not feel they have been adequately consulted, and that they do not have the capacity to participate effectively in this process.

As requested, specific comments by section are provided in table format, attached.

Thank you for the opportunity to comment.

Sincerely,

Sheryl Grieve
